

DELIVERY OF CHILDREN TO, AND COLLECTION FROM EDUCATION AND CARE SERVICE PREMISES POLICY

Under the *Education and Care Services National Regulations* the approved provider must ensure that policies and procedures are in place for the delivery of children to, and collection from, service premises and take reasonable steps to ensure those policies are followed. (ACECQA 2021).

Arrival and departure times are planned to promote a smooth transition between home and our after-school care program for before and after school care, and vacation care. The opportunity to build secure, respectful and reciprocal relationships between children and families is promoted during arrival and departure times where educators have the opportunity to engage in conversations with families and support each child’s well-being.

To ensure the health and safety of children at our after-school program, our *Delivery of children to and collection from Education and Care Service Premises Policy* is strictly adhered to, allowing only nominated authorised persons to collect children at any time throughout the day. The daily sign in and out register is not only a legally required document to record children’s attendance as per National Law and Regulations but is also used as a record of the children on the premises should an emergency evacuation be required to be implemented.

Our Service has detailed processes, guidelines and practices for the delivery and collection of children to ensure the safety and wellbeing of each individual child. We ensure that all educators, educator assistants and staff implement these.

THE APPROVED PROVIDER/NOMINATED SUPERVISOR/RESPONSIBLE PERSON WILL ENSURE:

- that obligations under the *Education and Care Services National Law and National Regulations* are met
- educators, staff, students, visitors and volunteers have knowledge of and adhere to this policy

- families are aware of this *Delivery of children to, and collection from an Education and Care Service Premises Policy*
- a risk assessment is conducted in conjunction at least once every 12 months, to identify any risks or hazards that may pose a risk to children’s health, safety or wellbeing as they travel between our Service and any other service which provides education and care to children.
- adequate supervision is provided when children arrive and depart the OSHC Service premises.

ARRIVAL AT SERVICE

- all children need to be signed in by an authorised person through the app Xplor. Note: the signing in of a child is verification of the accuracy of the attendance record. Information required on the register includes the child's name, the date and time and the signature of the person dropping off the child
- the parent/authorised nominee must also advise staff who will be collecting the child/children.
- families will be reminded to sign their child/children into the Service and will be encouraged to do so immediately upon arrival to avoid forgetting.
- should families forget to sign their child/children in, National Regulations require the nominated supervisor or an educator to sign the child in
- sign in/attendance records are to be used as a record in the case of an emergency to account for all children.
- children are to be sighted by an educator before the parent or person responsible for the child leaves. This ensures that the educator is aware that the child has arrived and is in the building.
- a child's medication needs, or any other important or relevant information should be passed on to one of the child's educators by the person delivering the child
- the educator will check that the family has completed an *Administration of Medication Record* and store the medication appropriately, away from children's reach
- in order for children to feel secure and safe, it is important that children and families are greeted upon arrival by a member of staff and have the chance to say goodbye to the person dropping them off
- a locker or shelf space will be made available to children and their families
- in the case of a separated family, either biological parent is able to add a contact in writing unless a court order is provided to the nominated supervisor stating that one parent has sole custody and responsibility.

DELIVERY TO SCHOOL

Educators and staff will:

- implement procedures for the safe handover of children between our Service and an educational facility as per our arrival and departure Policy and procedure.
- ensure documentation is correctly and clearly communicated with all stakeholders
- accurate attendance records are kept up to date recording:
 - the time and date children arrive and depart the Service.
- will be signed out of the Service and escorted to the designated before-school play area where the teacher on playground duty will be advised of their arrival.

COLLECTION FROM SCHOOL

- an educator will collect all Kindergarten and reception from their classroom and advise the classroom teacher/s that they have been collected, before escorting them to the Service and signing them in
- children in first to sixth grade will make their way to the designated collection point and be signed in by educators through the app.
- the educator/s collecting children from school classrooms will carry a mobile phone and a copy of the children's emergency contact details which is kept on the Xplor app on the iPad.
- in the case of an emergency, where the parent or a previously authorised contact is unable to collect the child, the parent or person responsible for the child (as listed on enrolment form as having a parenting role) may telephone the service and arrange an alternative person to pick up the child. This contact must then be confirmed in writing to the Service.

ABSENT OR MISSING CHILDREN

- parents must advise the Service staff as early as possible of their child/children's absence from school.
- if a child has not arrived at the Service and the parent has not contacted the Service to advise of the child/children's absence 15 minutes prior to children being escorted to school, an educator will contact the parent to clarify and confirm the situation.
- if a child is collected from the school early due to illness or other reasons the parent must notify the Service, using the service's telephone message bank if the service is unattended.
- if a child does not arrive at the Service at the expected time an educator will:
 - contact the educational facility and confirm the child left the educational facility at the arranged time
 - contact the parents or authorised nominee to determine the location of the child
 - contact the nominated supervisor/responsible person to advise of the situation
 - where possible, help conduct a search of the route of travel, ensuring supervision of all children within care
 - liaise with Police, emergency services and parents as required
 - contact the school principal or delegate
 - *if the parents have been contacted and the child is subsequently found, the educator must immediately contact the parents to let them know*
 - complete an incident, injury, trauma and accident record as soon as possible

MISSING CHILDREN

If a child is considered missing, an educator or staff member will:

- Ensure that other children waiting to be transported to the OSHC Service remain appropriately supervised

DEPARTURE FROM SERVICE

- Children may only leave the Service premises if the child leaves:
 - in accordance with the written authorisation of the child's parent or authorised nominee named in the enrolment record; or
 - taken on an excursion or on transportation provided or arranged by the OSHC Service with the written authorisation of the child's parent or authorised nominee; or
 - given into the care of a person or taken outside the premises; or
 - because the child requires medical, hospital or ambulance care or treatment; or
 - because of another emergency (evacuation due to bush fire, flood, severe storm)
- in the case of an emergency, where the parent/guardian or a previously authorised nominee is unable to collect the child, the parent or person responsible for the child (as listed on enrolment form as having a parenting role) may telephone the service and arrange an alternative person to pick up the child. This contact must then be confirmed in writing to the OSHC Service (email, text, or letter).
- parents/guardians are to advise their child's educator if someone different is picking up their child, both verbally and on the sign in/out sheet. This person is to be named on the enrolment form or added in writing to Management as an authorised nominee for the child.
- photo identification must be sighted by a primary contact educator before the child is released. If educators cannot verify the person's identity, they may be unable to release the child into that person's care, even if the person is named on the enrolment form.
- all children must be signed out by their parent (or a person authorised by the parent-authorized nominee) when the child is collected from our Service including each child's name, date and time they depart. If the parent or other person forgets to sign the child out, they will be signed out by the nominated supervisor or educator

- children must be signed out on through the app Xplor.
- parents/guardians are required to arrive to collect their child/children by 6.00pm
- no child will be withheld from an authorised contact or biological parent named on the enrolment form unless a current court order is on file at the Service
- in the case of a particular person (including a biological parent) being denied access to a child, the service requires a written notice (court order) from a court of law.
 - educators will attempt to prevent that person from entering the service and taking the child; however, the safety of other children and educators must be considered
 - educators will not be expected to physically prevent any person from leaving the service
 - in such cases, the parent with custody will be contacted along with the local police and appropriate authorities
 - where possible the educator will provide police with the make, colour, and registration number of the vehicle being driven by the unauthorised person, and the direction of travel when they left the Service
 - a court order overrules any requests made by parents to adapt or make changes
- in the case of a serious incident occurring, as described above, the regulatory authority must be notified within 24 hours through the [NQA IT System](#)
- nominated supervisors will ensure that the authorised nominee pick-up list for each child is kept up to date. It is our policy that we do not allow anyone under the age of 16 to collect children.
- if the person collecting the child appears to be intoxicated or under the influence of drugs, and educators feel that the person is unfit to take responsibility for the child, educators will:
 - discuss their concerns with the person, without the child being present if possible, and
 - suggest they contact another parent or authorised nominee to collect the child
 - follow procedures to protect the safety of children and staff of the education and care service as per Child Protection Law and Child Protection Policy
 - contact the Police and other regulatory authorities (Child Protection Hotline 132 111)
 - if an authorisation to collect a child is refused by the Service, it is best practice to document the actions for evidence to authorities (refer to *Refusal of Authorisation Register*).
- at the end of each day educators will check indoor and outdoor premises including all rooms and storage rooms and sheds to ensure that no child remains on the premises after the service closes
- children may leave the premises in the event of an emergency, including medical emergencies as outlined in our *Emergency Evacuation Policy*
- details of absences during the day will be recorded.

DELIVERY AND COLLECTION OF CHILDREN DURING VACATION CARE

During periods of Vacation Care, policies and procedures will be followed as per *Arrival* and *Departure from Service* sections within this policy.

VISITORS

- to ensure we can meet Work Health and Safety requirements and ensure a child safe environment, individuals visiting our Service must sign in when they arrive at the service and sign out when they leave. It is also a requirement of the National Regulations that visitors are not left alone with children at any time.

LATE COLLECTION OF CHILDREN

- if parents/guardians know that they are going to be late, they must notify the Service. If possible, they should make arrangements for someone else to collect their child
- if they have not arrived by 6:00pm the Service will attempt to contact them via phone. If parents/authorised persons are unable to be contacted the nominated supervisor will call alternative contacts as listed on the enrolment form to organise collection of the child
- due to licensing and insurance purposes, if by 6pm neither the parent or any of the authorised contacts are available or contactable, the Service may need to contact the police and other relevant authorities
- if the child is taken to an alternative safe location for example: Police Station, a sign will be displayed at the Service notifying parents/guardian of the child's whereabouts. If this occurs, the Service will be obligated to contact relevant Child Protection Agencies and notify the Regulatory Authority.
- where families are continually late to collect children, a *Late Collection of Children letter* will be presented to parents/guardians
- should this non-compliance continue, the service reserves the right to terminate a child's enrolment.

CONTINUOUS IMPROVEMENT/REFLECTION

The *Delivery of children to, and collection from Education and Care Service Policy* will be reviewed on an annual basis in conjunction with children, families, educators and staff.
